THE MIDLANDER

VOLUME IV

1929

PUBLISHED BY THE STUDENTS OF

MIDDLE TENNESSEE STATE TEACHERS COLLEGE

FOREWORD

IF, IN later years, the cares of life have caused your college days to become a half-forgotten memory and to fade into a mist of forgotten years, you may take your 1929 MIDLANDER from the shelf and for an hour or so again romp the campus and revitalize your love for the old Alma Mater, this book will not have been a failure. ~ If, through the pages of this book, we can help to keep alive the traditions and ideals of S. T. C., and keep living in the hearts of her sons and daughters the joys of the past and the hope of the future, the work and worry the staff has spent will not have been in vain.

DEDICATION

Out of the savagery of America emerged the virtues of true bravery and of loyalty to convictions. To the savage tribe of Manahozho the Great Spirit promised:

"I will send a prophet to you,
A delurisem of the nation,
Who shall guide you and shall
teach you."

The Great Spirit has sent to S. T. C. such a man. Mr. Woodard, as a leader of men and a molder of character, has proved true to his convictions. In the words of Manita, we have put him to the trial, to the proof, have put his patience, and have found him great and noble. To Mr. Woodard, whose leadership and guidance has been so highly acceptable to us, we dedicate this the fourth volume of the Midlander.

BOOK II

The Classes

And the smoke rose slowly, slowly,
Through the tranquil air of morning,
First a single line of darkness,
Then a denser bluer vapor,
Then a snow-white cloud unfolding,
Like the tree-tops of the forest,
Ever rising, rising, rising,
Till it touched the top of heaven.

"Honor be to valiant 'Choctaws'!"
Cried the children, cried the old men,
When they come in triumph homeward,
With the sacred belt of wampum.

LONGFELLOW: HIAWATHA.

FRANK FAULKINBERRY, *Head Coach*

Coach! One of the biggest reasons for Mid-State's rise in the athletic world in recent years. It has largely been due to his untiring efforts, his unselfish interest, and his ever forward spirit, regardless of obstacles the school has been climbing steadily in athletic prowess.

Held in highest esteem by the men under him, and by the students, "Coach" is loved and respected by all for his efficient and considerate manner. He is a strong advocate of clean athletics, and has the power of imbuing that spirit into his teams so that Mid-State is highly respected for the fairness and cleanness of her athletes and officials.

C. L. CUMMINGS, *Associate Coach*

"Pap" has proved a valuable aid to the coaching staff of Mid-State. He does all the scouting and has helped wonderfully in developing a strong line. He looks on his charges as fellow men and is highly esteemed by all players.

Hail, S. T. C., All Hail!

Hail, S. T. C., all hail!
Noble and strong,
To thee, with one accord,
We raise our song,
Swelling to heavens high
Our praises ring.
Hail, S. T. C., all hail!
To thee we sing.

CAPTAIN HUBERT SWANN, *Center*

Swann experienced a wonderful season this year as captain of the Teachers. Recognized as perhaps the best center ever to don the Blue and White, he has been the backbone of the line for the past two seasons. Dan McGugin, of Vanderbilt, says he is a man of All-Southern ability. His graduation this year will certainly leave a hard position to fill next fall.

CAPTAIN-ELECT JOHN DIXON, *Tackle*

Strong and aggressive, a deadly tackler, and a capable leader, "Punk" combines all the requisites of the ideal terminal, and for another year coach need not worry about a captain and tackle. His playing this season has aided the Teachers in no small measure.

FOOTBALL

Football

Reeves Derryberry, *Fullback*

A line crasher of proven ability, a better-than-average punter, a sterling defensive back. Derryberry enjoyed a great year in the backfield this season. Derry was held on the bench for two campaigns, but when given a chance, he blossomed forth a real player.

John Anderson, *Tackle*

Never a spectacular player. "Too Tall" has received far less than the amount of credit due his achievements as a player the past two seasons. He is a sturdy, dependable tackle, but was forced to view several of the games from the sidelines on account of injuries.

Melvin Charles, *End*

A conscientious player like "Warpee" never fails to make a name for himself. He has a reputation for grit and determination. It was "Warpee's" faithfulness and "Brown Mule" that kept back many a gain on his wing. We are looking for great things from "Warpee."

Ralph Askins, *Quarter*

Acclaimed the most consistent player to wear the Blue and White last fall, Ralph, through his consistent and continued application contributes greatly to the making of a great Teacher eleven. Besides being a triple threat man, he directs the team plays in a capable fashion. Quiet and unassuming, he is one of the most popular members of the squad.

Football

"Dutch" Uhlian

A lot of speed, but less control, is the keynote to Uhlian's performance. Despite his size, Dutch, with his dazzling speed, keeps the opposing ends and backs constantly on edge, and there is scarcely a game in which he does not elude them and score a touchdown or two.

Julian Crocker, *Guard*

One of the most consistent football players that ever roamed the gridiron is a title that aptly applies to "Jew." He has been an outstanding performer in the line for the past two seasons. Always a fighter, always encouraging to his linemen, he was one of the most valuable men on the team.

Frank Hobson, *Half*

Hobson possesses a fine competitive spirit which will carry him a long way in the remaining seasons he has here. He has plenty of drive and speed coupled with his intelligence, and should make a real star.

Oscar Rose, *Guard*

"Big Oss" and a guard he was. With grit and bulldog determination he played a stellar part in the line. When they couldn't be stopped he stopped them. He has two more years and great things are expected of him.

Football

Robert Kerr, *End*

Bob is the wingman who catches the forward passes. He possesses the ideal football temperament, always willing to take advice, but capable of being aroused to a fighting pitch at the first threatening motions on the part of the adversary and possessing a never-say-die determination.

Paul Turner, *Guard*

This tall blonde lad has been a "tower of strength" in the Teacher forward wall for the past two seasons and promises to be still greater in the future.

"Bruno" Gregory, *End*

"Bruno's" third year on the varsity proved that he could and would play football as it should be played. He is a good pass receiver and an exceptionally good blocker. He never failed to do his share both on defense and offense. "Bruno" has one more year and should be one of the most dangerous linemen next fall.

Richard Osteen, *Fullback*

Coming up from high school Dick brought a reputation as a battering fullback along with him, and this season he played this position well for Mid-State. A great future for Dick.

Football

Wade Farrar, *Half*

"Saunch" is a possessor of a real football brain and is invaluable in this respect. His line plunging makes him a good halfback prospect. He got his chance last fall and the manner in which he battered the forward wall won him much praise.

Floyd Smith, *Halfback*

Although the season was partly over before "Smitty" was able to break into the regular line-up, he made a letter, and in the latter part of the season was one of the most dependable backfield men. He is a hard runner and a sure tackle.

Elijah Harris

Big Harris, playing his first year on the varsity, proved to be one of the most dependable men. When Anderson was injured he stepped right in at tackle and filled his position well. He is sure to give someone trouble during the next three campaigns.

Marion Edney, *Tackle*

Edney is a freshman with plenty of football ability. He is large, strong, and aggressive. With three more years yet to play he should develop into a wonderful tackle.

Football Squad

Top Row

"Pap" Cummins *(Assistant Coach)*, "Os" Rose, "Jew" Crocker, Perry Westbrook, Jerome Fambrough, Marion Edney, Covington, Glen Harrold, Ray Brandon, "Lij" Harris, "Curley" Setliff, Frank Faulkinbury *(Coach)*.

Middle Row

Ralph Houser, Bob Kerr, "Warpee" Charles, "Sonia" Hendrix, Paul Turner, "Barney" Bragg, "Too Tall" Anderson, "Punk" Dixon, Carl Pace, Marion Holt, "Vick" Vickers, Bill Shelton, "Bill." Reedy, "Bruno" Gregory.

Bottom Row

"Dick" Osteen, Chester Sheffield, Frank Hobson, "Saunch" Farrar, "Dilly" Derryberry, Ralph Askins, Hubert Swann *(Captain)*, "Dutch" Uhlian, "Smitty" Smith, Brown Draper, Paul Glous, "Maj" Majors, Emile Roth.

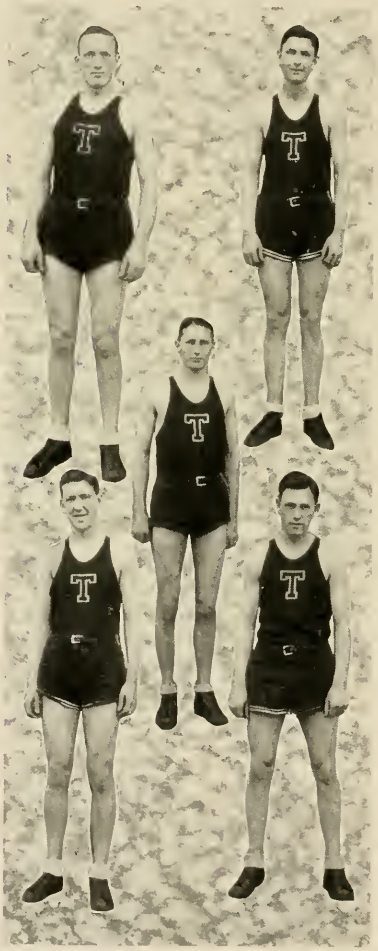
KEELING, *Captain*

VICKERS, *Captain*

MALONE, *Captain-Elect*

TOWRY, *Captain-Elect*

BASKETBALL



Boys' Basketball

Claude Vickers, *Guard*
CAPTAIN "VIC"

Returning as the only regular of last season, Vickers had a good year. Little need be said of his ability, especially on defense, for it is obvious that he is our best. As a captain, he proved most worthy of his selection and led the Teachers in great fashion.

Richard Osteen, *Forward*
"DICK"

Although this is Dick's first year he broke into a regular position by his clever floor play and accurate goal shooting. Dick has a good head and a fine competitive spirit. He will bear watching the next three years.

Gilbert Dickey, *Forward*

With an indomitable spirit of "do or die", Dickey played his first season with the Teachers. There was never a more conscientious athlete in the college. He is a hard, clean, and winning fighter, and his ability to drive under the basket and hawk the ball has been a great asset. He has a wonderful future ahead of him.

Robert Kerr, *Center*
"BOB"

Tall, fast and aggressive, Bob is the kind to have on the team. If he has the ball within ten feet of the basket the scoreboard fairly "flushes" for Bob invariably shoots up the score two points. Overhead, one-handed, hooked, anything, it makes no difference; they all hit the middle of the basket. He led the scoring for the year.

Elmer Malone, *Guard*
"MOL"

One of the best and most dependable floor men on the squad was Malone. An all-round player, fast, accurate passer, and an excellent goal shot, especially at long range. "Mol" has one more year and should have a wonderful year.

Boys' Basketball

Paul Turner, *Forward*
"BIG CHEESE"

Paul has the finest physique of any one on the squad and he does not lack for haskethall ability. His specialty is the overhead shot, and when it is working he is hard to beat. Watch him in the future.

Edward Dickey, *Forward*

Little Dickey is the smallest man on the team but is a hard fighter. Being only a freshman, he still has three more years to make his name and he has made a good start.

Rowell Ferguson, *Guard*
"FERGIE"

Fergie was the "shiek" of the team, but this did not interfere with his playing when a substitute was needed. Fergie was right there with the goods.

Charles Davis, *Center*
"SLIM"

Slim is the tall man on the team. He has no peer at getting the tip-off and following up shots. All he has to do is shoot and look down to see if it goes through. When he is right he cannot be stopped. A great future has Slim.

Melvin Charles, *Guard*
"WARPEE"

Warpee was a dependable man throughout the year. When they couldn't be stopped he stopped them. He likes the hard games. A game fighter and sportsman is Warpee.

Girls' Basketball Season

The Teachers' Co-eds opened their basketball season with an overwhelming victory over the DuPont Rayon team from Old Hickory. The Teachers featured a good passing and shooting attack that left them on the large end of a 70 to 2 score. Palmer was high scorer with 22 points, and Towry was second with 13. Great work was done at guard by Dillon; Watkins and Johnson, although new material, showed up well at guard. Marshall and Captain Keeling both played a brilliant game at center.

For the second game of the season our co-eds journeyed to Old Hickory for a return bout with the DuPont lassies. They were again victorious by a score of 36 to 10.

On January 19, the West Kentucky co-eds came down with a strong aggregation to play the first big game of the season. Western Kentucky has always had a strong team, and this year was no exception to a tradition of long standing. At the end of the half the score was knotted, 9 and 9. The third quarter opened fast and furious and continued so. At the end of the third quarter the score was again deadlocked, 16 and 16. Each team entered the fourth quarter with a rugged determination to win. The suspense was breath-taking. At last, after a hard-fought struggle, our girls landed on the big end of a 23 to 21 score. Palmer, ably assisted by Towry, again carried high scoring honors. Dillon and Watkins played an excellent game at guard. To them goes quite a bit of credit for keeping down the score. Marshall, Pate, and Keeling all showed up well.

Union University came to our campus touted as a wonder team. Our varsity had vague misgivings when they stepped on the floor. They seemed slightly rattled. This increased as the game progressed. Just after the second half began Coach Faulkinberry decided something must be done. So he substituted McCrory, who pocketed six points in a flash. Young came in and played an excellent game. Marshall put the game on ice when she pushed seven points through the hoops. Pate and Johnson finished the game at the guard positions. The game ended 23 to 14 in favor of the Teachers. Clever substituting on the part of Coach Faulkinberry was largely responsible for winning this game.

For the second game with West Kentucky, our girls journeyed up to Bowling Green. Early in the game Captain Keeling went out via the personal foul route. Miss Palmer was absent from the line-up, and her loss was felt deeply. The burden of the scoring fell upon the shoulders of Miss Marshall and Miss Towry. Miss Young contributed two field goals. The team didn't seem to be able to hit their usual stride and as a consequence suffered their second defeat in four years. The game ended with Kentucky 31, Teachers 21.

On the night our boys played the Cleveland Rosenblums, our girls decided that they could show

Mr. Lopshitz, Barry and Co. a thing or two about basketball, so they proceeded to paste the Cumberland University lassies with a 48-13 defeat. Coach Faulkinberry used every girl on his squad.

Hiawassee came to the campus boosted as the fastest team in East Tennessee. They returned home without having made a single field goal. The best they could do was to make good seven free throws. Again Coach Faulkinberry used every member of his squad. The game ended, 67-7.

On February 9 the WSM girls, champions of Nashville, came down for a game with our co-eds. They returned to the capital city with the small end of a 37 to 17 score.

For the second game with Cumberland our lassies journeyed over to Lebanon. The Teachers captured this game by a 36-16 score. Coach Faulkinberry used subs the greater part of the game.

West Tennessee came to our campus with a claim for the co-ed championship of this state. When they returned home all hopes of such had vanished. Our girls defeated them 45 to 18. Coach Faulkinberry, who believes in giving everybody a chance when possible, used sixteen girls in this game. Miss Towry was high scorer for this conflict. Miss Moody was the best W. T. had to offer. She was really good, but she couldn't get away from our guards. Miss Dillon played an excellent game at guard.

On February 22, Alabama Normal came to our campus. The game that followed will go down in the record books as one of the greatest ever seen in Murfreesboro. The fans of this city were expecting another set-up for our girls. It turned out that they were all wrong. Our girls worked hard to win by the score of 33-28. The Alabama bunch really played ball like nobody's business. Our girls gained an early lead, but late in the game the Alabama forwards began shooting goals from every position. It was the playing of Miss Dillon that kept S. T. C. out in front. It would have done your heart good to have seen "Dee" fighting that fight. She played the game of her career, and it certainly stamped her as an all-Southern if not a national guard. When the game was over the fans rushed to her side. All of the girls gave all they had, but none gave more than Miss Dillon. Towry and Palmer were high scorers.

On the last night of the tournament our girls played that age-old rival, West Kentucky, for the championship of the South. The gym was packed to overflowing with a mass of people. Our girls went in there with a great task to perform—that of proving when better ball teams are produced, Teachers will produce them. They were not in the best of condition, but they went in there and played ball and won the game, 21-20. Just before the game and at the half Coach Faulkinberry made them talks that brought tears to their eyes. They just couldn't lay down on the job when that won-

derful Coach of ours asked them not to. They went in there and gave everything they had for him. Miss Marshall went in near the middle of the game and the audience went into an uproar. The score stood 21-20 fully four minutes before the game was over, and the guards must be thanked for keeping that goal out. Western Kentucky was all praise for our girls, and admitted that they deserve the championship of the South.

Early in the season our girls were invited to participate in the National Tournament at Wichita, Kansas. They journeyed out there in the latter part of March. Our girls lost their first game of the tournament to the strong Ada, Oklahoma, Teachers. They were tired out from their long trip and several of them were sick. The Ada bunch doubled the score on them, 40-20. The girls fought hard, but they simply couldn't get going. They were playing under new rules and in a strange place. They gave all they had, and the hearts of the institution went out to them when the result was learned. The girls entered the Consolation with a bang. They defeated the South Kansas Independents, 39-9. Towry and Palmer just couldn't be stopped, and our guards allowed the Kansas bunch only two field goals.

In the second game of the Consolation, Misses Marshall and Young played a brand of basketball that was too much for the aggregation from Columbus, Ga., and our team won again, 30-14. All of the girls played excellent ball. Possibly the greatest game of the tournament was between our girls and a team from Piedmont, Ga. With two minutes to go and our girls trailing by five points, they started an attack that dazzled the Piedmont bunch. When the game was over our girls had won, 30-29. Miss Towry shot the winning goal just before the gun fired. It was Miss Towry's work in this game that brought her honorable mention from many coaches as an all-American forward. Miss Marshall played a great game, but injured her arm. By winning this game our girls advanced to the finals of the Consolation Tournament.

In the final game our girls lost to a strong team from Arkansas. Miss Marshall was unable to play. Miss Dillon was only able to play about two minutes. Our co-eds fought hard, but lost to the Arkansas Aggies, 32-29. Palmer captured scoring honors. Captain Keeling played well, as did Misses McCrory, Pate, Watkins, and Thompson. Our team was given a big hand by the audience as they left the floor.

The girls went out to the tournament and gave all they had. They made themselves sick, crippled themselves, and did all they could to win. Miss Frances McCrory was chosen one of the three queens elected at the tournament. The girls all had a wonderful time. Captain Keeling brought back a trophy that the team won. The students met the team and Coach Faulkinberry at the station on their return, and escorted them back to S. T. C.

Waiting

Waiting—
In the cool dim of the morning,
Up the walk the mail man coming;
And a heart is fiercely pounding.
Trembling hands the notes are flipping,
Hunting for a well-known writing.
Waiting—
For a line that never comes.

Waiting—
In the hot sun of the mid-day,
Eager crowds are quickly passing;
Earnest eyes are always searching;
Always wondering why they never
Find the one that they are seeking.
Waiting—
For the face that's never found.

Waiting—
In the twilight of the evening,
Summer winds begin their whispering,
With soft hands the cheek caressing.
Time is ripe for love and wooing
And the ear is ever listening.
Waiting—
For the word that's never heard.

—Louise Read
